FOR IMMEDIATE RELEASE

KYMCO Expands Product Line With Introduction of Heavy-Duty MXU 250 ATV

Inman, SC — KYMCO Motorsports, the exclusive U.S. importer for Taiwan-based KYMCO, has introduced the MXU 250, a rugged utility vehicle that expands the company's U.S. product line to five ATV models. With 11 scooters and a motorcycle also available from U.S. dealers, KYMCO is becoming more of a force in the domestic motorsports market.

The MXU 250 features a 250cc, 4-stroke, water-cooled 18-horsepower engine manufactured by KYMCO. With an average ground clearance of 8.25" and large front and rear equipment racks, integrated trailer hitch, the MXU 250 is designed to meet the needs of the construction, farm, hunting, fishing and ranch markets. A wheelbase of nearly four feet combined with swing arm rear suspension and dual A-arm front suspension assures that you'll be guaranteed a comfortable all day ride.

All KYMCO ATVs feature a limited one-year warranty. Original KYMCO design and modern visual appeal, CVT transmissions, forestry approved spark arrestors, full knobby front and rear tires, and injection molded color-through body components make for ultimate durability.

The new model joins a wide-ranging lineup of KYMCO ATVs. A smaller version of the MXU 250, the MXer 150 offers multi-purpose racks, forward, neutral, and reverse CVT transmission and an integrated trailer hitch to get the job done. The sporty Mongoose 250 is designed for fun, but meant to ride rough on the trail or on the track. Designed for ages 12 and up, the 4-stroke, 6.3-horsepower Mongoose 90 is also a good starting point for an older but less experienced rider. Larger tires provide more stability, and a front bash plate, safety floorboards, plus the handlebar pad offer full off-road capabilities. The Mongoose 50 is perfect for youngsters ages 6 and up. The adjustable throttle stop and lanyard safety switch allow your child's skill and excitement level to grow while you maintain control.

Known around the world, KYMCO ATV's, scooters, and motorcycles are bringing fun, reliable, and affordable transportation to a growing number of American riders.

KYMCO MXU 250

Engine Type	4-stroke water-cooled, SOHC
Displacement	249cc
Horsepower	18hp
Cooling System	Liquid
Lubrication	Wet sump
Ignition	Electric
Gearbox	Automatic CVT with forward, neutral and reverse
Chassis	Steel
Front Suspension	Dual A-arm with hydraulic shocks
Rear Suspension	Swing arm with hydraulic shock
Front Brake	Disc
Rear Brake	Disc
Length	78 in. (1961.2mm)
Width	42 in. (1066.8mm)
Height	43 in. (1092.2mm)
Seat Height	33 in. (838.2mm)
Wheelbase	48.1 in. (1221.7mm)
Ground Clearance	8.25 in. (209.5mm) average
Fuel Capacity	3.4 gals. (12.8 liters)
Weight	498 lbs.
Features	Headlights and taillights, trailer hitch with cargo racks and front bush guards, Kenda Pathfinder tires and a backlit digital dash with speedometer, tripmeter, fuel and temperature gauges, neutral, reverse and high beam indicator, clock and a 1 Year Limited Factory Warranty.

C.A.R.B. Certified. Forestry Approved Spark Arrestor.

KYMCO Mongoose 250

Engine Type	4-stroke water-cooled, SOHC
Displacement	249cc
Horsepower	18hp
Cooling System	Liquid
Lubrication	Wet sump
Ignition	Electric
Gearbox	Automatic CVT with forward, neutral and reverse
Chassis	Steel
Front Suspension	Dual A-arm
Rear Suspension	Link suspension
Front Brake	Disc
Rear Brake	Disc
Length	76 in. (1930.4mm)
Width	41 in. (1041.4mm)
Height	42 in. (1066.8mm)
Seat Height	32 in. (812.8mm)
Wheelbase	46.4 in. (1178.56mm)
Ground Clearance	7.5 in. (184.15mm) average
Fuel Capacity	3.4 gals. (12.8 liters)
Weight	392 lbs.
Features	Headlight and taillight, aluminum wheels, Kenda Klaw tires and a 1 Year Limited Factory Warranty.

KYMCO Mxer 150

Engine Type	4-stroke air-cooled, SOHC
Displacement	149cc
Horsepower	11hp
Cooling System	Fan
Lubrication	Wet sump
Ignition	Electric
Gearbox	Automatic CVT with forward, neutral and reverse
Chassis	Steel
Front Suspension	Single A-arm
Rear Suspension	Swing arm
Front Brake	Drum
Rear Brake	Disc
Length	66 in. (1676.4mm)
Width	39 in. (990.6mm)
Height	39 in. (990.6mm)
Seat Height	27 in. (685.8mm)
Wheelbase	44.1 in. (1120.14mm)
Ground Clearance	7.75 in. (196.85mm) average
Fuel Capacity	2.2 gals. (8.32 liters)
Weight	334 lbs.
Features	Headlight and taillight, trailer hitch with cargo racks, front bush guards, Kenda Dominator tires and a 1 Year Limited Factory Warranty.

C.A.R.B. Certified. Forestry Approved Spark Arrestor.

KYMCO Mongoose 90

Engine Type	4-stroke air-cooled, SOHC
Displacement	89cc
Horsepower	6.3hp
Cooling System	Fan
Lubrication	Wet sump
Ignition	Electric w/kick start backup
Gearbox	Automatic CVT
Chassis	Steel
Front Suspension	Single A-arm
Rear Suspension	Swing arm
Front Brake	Drum
Rear Brake	Hydraulic disc
Length	57 in. (1447.8mm)
Width	34 in. (863.6mm)
Height	37 in. (939.8mm)
Seat Height	26 in. (660.4mm)
Wheelbase	37.9 in. (962.66mm)
Ground Clearance	7.25 in. (184.15mm) average
Fuel Capacity	1.4 gals. (5.29 liters)
Weight	232 lbs.
Features	Taillight, lanyard safety switch, Maxxis tires and a 1 Year Limited Factory Warranty.
