Super 8 150X

On the motorcycle-style open handlebars of the **Super 8 150X** are a modern mix of analog and digital gauges featuring a speedometer, tripmeter, and fuel gauge. The robust tires give the Super 8 150X a flat tracker look, while its ultra-lightweight provides ease of riding. The convertible backrest/rear seat allows for passengers or cargo, maximizing versatility on cross-campus errands or crosstown jaunts. Hard-edged, sporty styling sets the modern mood of the Super 8, while its raised fender gives it a bit of an adventure attitude. An optional top box can be ordered for the rear luggage rack. the Super 8 Available in Yellow or Matte Black.
