OH, SPADE! I can feel the eyes on me now. What do you think they are saying about us?

“What are THEY doing together?”
“it will never last!”

They’re right...it won’t last. You’re too edgy. You’re one of kind. A limited edition.

You’ll be gone in a flash.

All eyes will be on you when you roll up on the new limited-edition Spade.

This model doesn’t shy away from attention. It wants everyone to know you’ve arrived!

Wherever you choose to go, mountains or the city streets, do it with confidence.

K-PIPE
LIMITED EDITION

Nothing holds you back or keeps you down.

Yes, you have battle scars.
But you also have a chip on your shoulder
and you’re not afraid to show it.

They’re a little scared of you but intrigued at the same time.

They know who will be the last one standing
and they all want to follow your lead...
   If only they had the courage.

The crowds will part when you roll up
on the new limited-edition K-Pipe.

You don’t make friends easily.
It’s up to you how close you let them get to you.

LIMITED EDITION

You may not know my name, but you certainly know my style.

Sleek, expressive lines hug my body.
Pure colors strip away any camouflage.
I have nothing to hide.

Make no mistake,
I’m starting a movement before I ever hit the road.

I’m changing the face of what a scooter should be.

Here’s to venturing out and taking the unbeaten path.
I’m blazing a trail for those who think outside the box.

Will you join me?

While mechanical failures are rare in all of KYMCO’s models, you can protect yourself from potentially high costs for years after your standard warranty runs out by investing in extended protection today. This plan replaces or repairs most components free of charge if found defective in material or workmanship.

With its low deductible, everything about this plan is easy. It’s honored at every authorized KYMCO USA dealer nationwide. It’s also transferable to another owner. Ask your dealer today how you can buy additional coverage of 12, 24, 36 or 48 months. Your KYMCO dealer is ready to deliver this high-quality security for your KYMCO that will give you confidence and peace of mind for all the years you’ll own your KYMCO. *Coverage depends on the program purchased.

KYMCO vehicles meet all applicable Federal Motor Vehicle Safety and EPA standards. Always wear a helmet, eye protection and protective clothing. Avoid excessive speed. Never engage in stunt riding. Never ride under the influence of alcohol or drugs. Take a riding skills course. For the course nearest you, call the Motorcycle Safety Foundation at 1-800-446-9227

KYMCO USA makes every effort to present the most current specifications and model features. Changes in equipment, colors, availability and specifications may change without notice or obligation. Some models are shown with optional equipment.
