

U.S. Consumer Product Safety Commission – Recall Alert

Recall Date: October 7, 2014

Recall Number: 15-701

KYMCO Recalls ATVs Due to Burn, Fire Hazards (Recall Alert)

Recall Summary

Name of product: All-terrain vehicles

Hazard: In hot environments or high elevations, the fuel cap can fail to vent properly, causing the fuel to heat up and pressure to build up in the tank. The pressure can cause the fuel tank to rupture or the fuel to boil out of the tank onto the operator or hot engine, resulting in burns to the operator or a fire.

Remedy: Repair

Consumer Contact: KYMCO USA toll-free at (888) 235-3417 between 9 a.m. and 5 p.m. ET Monday through Friday, email info@kymcousa.com, or online at www.kymcousa.com and click on Recall Information for more information.

Recall Details

Units: About 540

Description: The recall involves model year 2013, 2014 and 2015 KYMCO MXU 700 all-terrain vehicles (ATVs) including standard, LE and Camo versions. The vehicles came in black, camouflage, gold, green, red and silver. The words KYMCO and MXU 700, MXU 700 LE or MXU 700 Camo are on the front of the hood and on each rear fender. The vehicle identification number (VIN) in the format RFBLU45U*xBxxxxxx is located on the frame behind the right front wheel. The 10th digit of the VIN indicates the model year: D = 2013, E = 2014 and F = 2015. ATVs with the last six VIN digits in the following ranges are being recalled:

| Model year | VIN RANGE (VINs begin with RFBLU45U*) |
|-------------------|--|
| 2013 | DB120111 through DB130158 |
| 2014 | EB120203 through EB130204 |
| 2015 | FB120315 through FB320123 |

* represents a check digit that varies in each VIN

Incidents/Injuries: None reported

Remedy: Consumers should immediately stop using the recalled ATVs and contact an authorized KYMCO dealer for a free repair. The original gas caps must be collected by the dealer to confirm the repair.

Sold at: KYMCO dealers nationwide from April 2013 to August 2014 for about \$9,000.

Importer: KYMCO USA Inc., of Spartanburg, S.C.

Manufactured in: Taiwan

The U.S. Consumer Product Safety Commission (CPSC) is still interested in receiving incident or injury reports that are either directly related to this product recall or involve a different hazard with the same product. Please tell us about your experience with the product on SaferProducts.gov.

CPSC is charged with protecting the public from unreasonable risks of injury or death associated with the use of the thousands of consumer products under the agency's jurisdiction. Deaths, injuries and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals – contributed to a significant decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to www.SaferProducts.gov or call CPSC's Hotline at (800) 638-2772 or teletypewriter at (301) 595-7054 for the hearing impaired. Consumers can obtain news release and recall information at www.cpsc.gov, on Twitter [@OnSafety](https://twitter.com/OnSafety) or by subscribing to CPSC's [free e-mail newsletters](#).
