

# MONGOOSE

## 110i

This ATV is for young riders beginning to establish independence. The ability to shift into reverse provides easy maneuverability, demanding no further assistance. The new ergonomically designed seat helps riders move and shift around with ease on the vehicle or get a better grip with a slender design.

- Y-12 compliant (12+) with a weight limitation of 175 lbs.
- 111.7cc SOHC 4-stroke, 2 valve single cylinder engine, fan cooled
- Forward, neutral, and reverse transmission
- Fully automatic CVT transmission with reverse
- Front drum and rear disk brakes with parking brake lock
- Single front A-Arms with preload adjustable shocks
- Rear swing arm suspension with adjustable rear shocks
- Sport-style back steel wheels
- Single headlight with low and high beam
- Single rear taillight
- Rear grab bar
- Tether cord with safety cutoff switch
- Mounting tab for safety flag
- New ergonomic seat
